Policies & Code of Conduct of UYO

Ages

The UYO has an age range normally of 13 years to around 21 years. Most members will be at high school, at a tertiary institution, or in the work force. Generally we cannot accept members younger than 13 years old.

Reading & playing standards

Members are normally of grade 6 or higher in reading and playing ability, i.e. working towards grade 7 or a higher level. Players unsure of their level (e.g., they may not have sat formal exams but are relatively experienced players) must contact the Music Director Mr Yoshiki Tatsumi and arrange to meet before rehearsal for an audition or to participate in a trial rehearsal (or both). Mr Tatsumi will decide in consultation with management if a player is to be accepted or not as a member.

Subscriptions (membership fees)

Membership requires payment of the annual subscription to the UYO Treasurer **by 31 March**. Subscriptions are reduced on a *pro rata* basis for members who join part-way through the year.

Rehearsals and workshops

Rehearsals are normally held from **7.00-9.00 pm** in The Bandroom, Castle Trust Hamilton Brass, Clyde St, Hillcrest (near Hamilton East Police/The Warehouse, Hillcrest). Occasionally extended rehearsals will be held from 6.30-9.00 pm. The Bandroom phone number is Hamilton 856-0260. UYO members must treat all fittings, equipment and instruments in the bandroom with respect – there is to be no touching nor playing of the percussion or other instruments at any time. Workshops are normally held in the Auditorium complex, Fairfield Intermediate School, Clarkin Rd. Venue and dates of workshops are advised/confirmed during the year.

Code of conduct

- The UYO is a smoke-free, alcohol-free and illicit-drug-free organisation administered by the UYO Trust
- A high standard of behaviour by members is expected at all times at rehearsals, workshops, concerts and tours, and members must show respect for others in the organisation and for their property
- Members may be liable for dismissal from the UYO if unsatisfactory behaviour persists after a warning
- Members undertake to attend rehearsals on a regular basis for the entire year, **to arrive by 6.50 pm** so that practice can start at 7.00 pm, and normally to advise management in advance if they are going to be absent (only for a very good reason): email, phone, or text the Manager or Music Director (contacts below).
- All members undertake to practise regularly at home their own parts to help the orchestra to achieve the highest possible standard of playing and performance
